Cost-effective

A fast-to-implement
solution

BENEFITS FOR YOUR SECTOR

What is VAC? VAC is a digital infrastructure for verifiable professional identity. It integrates and organizes information about training and professional experience to record, preserve, and demonstrate a person's career history in critical activities.

For companies, VAC enables them to verify in real time which individuals are authorized to perform specific critical activities and access the associated evidence.

Your Safety, Your Work Passport

VAC is a professional digital identity that allows you to record, preserve, and demonstrate your experience in critical activities throughout your working life, accompanying you across companies and locations.

Training is
protecting yourself.
VAC has your back,
wherever you are.

- ☒ Access your training history from your mobile phone.
- ☒ Generate a "passport" with a QR code that you can add to your CV.
- ☒ Carry your trainings from one company to another.
- ☒ Always know if you are authorized for a critical activity.
- ☒ Information and evidence associated with your professional history remain available for verification.
